

# Whistle Stop Gallery News

March 2006

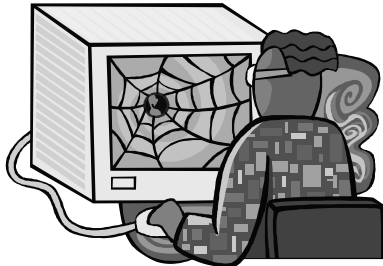

Spring is here and our tourist season has already begun. Thank you for continuing to wow our visitors with the quality and variety of our home grown talent. There is always room for more and the more we have the more we can sell.

If you are planning on going away this summer bring your work in to the Gallery and we will store it securely for you and bring it out as needed.

## Whistle Stop Website

[www.whistlestopgallery.org](http://www.whistlestopgallery.org)

Our website is starting to take shape and will be updated as time allows. Please send in your autobiography

when you can and it will be added to the website. If you have your own website be sure to include the address and it will be linked to the site.

The Whistle Stop Winter Challenge project is proceeding apace. To date we have distributed 25 2'x2' squares and some of you are very close to completing your projects already! Remember, we would like to have your completed work in by May 15<sup>th</sup> in order to display them before placing them along our art walk for our grand unveiling on Canada Day, July 1, 2006.

## News and Notes

The Gallery has had the floor refinished - **Thank you to the Village of McBride** - and a spring cleaning and rearranging. Drop by and check out what's new and what's new to you.

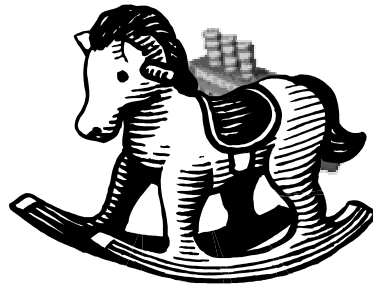

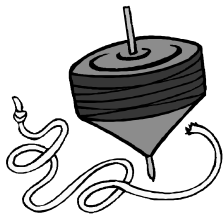

Volunteer some time and get our preferred membership discount. Each society member who donates even a small piece of their time is eligible for a 10% Gallery discount on all purchases made at the Gallery, reduced membership fees and our undying gratitude. Please call or email the Gallery to arrange.

We are still collecting art and craft books for our library. If you have any old books, magazines etc. that you feel you can spare we would be glad to take them in to share with others.

Attention all toy makers!!

We are looking for toys of all sorts, wooden trains, logging trucks, spinning tops, windmills etc. If you make toys, or know someone who does... bring them in to the Gallery. Help us help kids rediscover the joy of a real toy.

*To the Artists,*

*For all of you who filled in for me during a much needed break – my heart felt thanks. The two week sabbatical has left me rested and refreshed and ready to tackle the busy summer season. The Gallery looks great and is filled with wonderful things. The trains are running and our new signs should help bring people in off of the highway. The Whistle Stop Gallery is gaining quite a reputation for quality merchandise and friendly people. With the extra attention given to the town by the Hockeysville competition it is our opportunity to shine!*

*Dannielle Alan*
